S. S. SKIDELSKY & CO.

9-15 PARK PLACE, NEW YORK CITY

FALL, 1928

Mr. Stranger: Our old and new friends we have kept and strive to keep. Won't you give us a chance to make YOU a friend? A "forty-two year old organization" of reliability, selling service and satisfaction, takes the chance out of it. Ask some old-timers.

S. S. S. BULB SPECIALTIES

TESTIMONIAL LETTERS

July 10, 1928
"Please duplicate our Harris order. Last year we bought these Lilies from you and they were highly satisfactory. We hope they will be equally as good this year."
(Signed) CHAS. A. MOSS, Spartanburg, S. C.

"Allow me to extend to you my thanks and appreciation for your service in the past. Your stock has always been of the best quality, and has invariably run true to name. This confidence in your goods is of great satisfaction to me, as I can plant and grow same with a feeling of surety as to the final results."
FRANK A. APLIN, Gales Ferry, Conn.

"For fifteen years we have purchased our Lilium giganteum bulbs from your firm, and have had excellent results. This year they were especially good, every Lily black-stem, healthy, robust growth, and free flowering, with practically no disease. Our order is already placed with you for Fall delivery and we hope and expect the same results."
G. H. SINCLAIR, Holyoke, Mass.

Don't take our word for it. Read these unsolicited letters:

June 21, 1928.

"Will you kindly duplicate our order for Cyclamen Seed, 'Stoldt's Strain,' which we received from you last year.

At the present time, our Cyclamen Plants are the best we have ever had, and we attribute it to good quality seed and strain.

ADGATE & SON, Warren, Ohio.

S. S. Skidelsky & Co., New York City.

Gentlemen: We are in receipt of the Cyclamen Seed we have bought from you for the past four years from Stoldt, Germany. We have grown them along with Seed purchased from other specialists of Germany, and we find it to be, in our opinion, one of the best strains we have ever handled.

In addition to the fine habits of the plants, they have been floriferous, large flowers and very fine colors. We will continue to use this strain.

Yours, very truly,
